

Month of Causes

This month we celebrate Sexual Assault and Child Abuse Awareness. Officially we only have a month to celebrate, but volunteers are needed throughout the entire year to help victims and engage in prevention programs. For more information, check out the facts on child abuse and sexual assault at the sites listed below, and learn just how important our work is. You can make a difference!

The Facts...

- Over 25 million Americans will experience sexual assault
- \$122,461 is the lifetime cost per victim of sexual assault
- Those investigated for child abuse were:
 - 39% Parent
 - 51% Relative of the child
 - 10% Not related to the child

Happy Birthday!

We would like to say Happy Birthday to some of our awesome volunteers!

Volunteer Spotlight

This month we would like to recognize a volunteer who has been with us for some time now. She is always ready to help and eager to do whatever she can to assist us with our jobs. Mrs. Marija Mack, we would like to thank you for all your hard work and dedication to Safe Passage. We love having you on our team and can't possibly thank you enough for the time you serve with us. Thank you again!
